

Congratulations, you are taking a great step towards better health & wellness for your canine!

Veterinarian Notification Policy:

It is common practice for naturopaths, nutritionists, and other non-licensed practitioners to collect your signature on a liability waiver form such as this. By doing so you acknowledge that it is your responsibility to deliver all laboratory test results, now and in the future, to your own veterinarian for any medical interpretation or opinion regarding any laboratory results provided by Denise Rolén or her affiliates. The undersigned agrees that he or she will receive a nutritional interpretation of the symptom surveys and test results from Denise Rolén that is to be used exclusively by the undersigned as an educational tool for personal health purposes. However, the veterinarian of the undersigned may use these same laboratory results to diagnose and treat disease. The information on Denise Rolén's K9 Care By Denise's/ Network For Health Holistic Center's web sites, brochures, flyers, and information packets are believed to be extremely accurate, but such accuracy cannot be guaranteed by Denise Rolén/K9 Care By Denise/ Network For Health Holistic Center, her independent representatives, associates and affiliates as we are not the originators of the underlying data used in the interpretation. The undersigned releases Denise Rolén/K9 Care BY Denise/Network For Health Holistic Center from any liability for injury or loss arising out of the use of, or reliance on, the laboratory results and/or the dietary supplement and lifestyle suggestions provided. Before making any changes to the exercise, diet or nutritional or hormonal supplementation of the undersigned, a veterinarian should be consulted.

Denise Rolén does not diagnose, cure or treat any illness or disease. Out of reference laboratory reference range results will be indicated on the official lab result form provided by Denise Rolén from a State Certified Laboratory to the undersigned. This information is not intended to, cannot, and should not be expected to substitute for a personal consultation with your own veterinarian. Further, the undersigned releases Denise Rolén, her lab partners, her independent representatives, associates and affiliates from any and all liability for any failure to identify any medical condition or disease. It is understood and agreed that this is not the purpose of their services.

Refund policy:

If you make a mistake when collecting saliva or urine specimens, etc., or if the lab refuses to accept specimens because of a mistake you made, a one-time free replacement test kit will be provided to you. Please call the office before discarding any specimens collected. Otherwise, once test kits are in your possession, they may not be returned and no refunds are allowed for any test kits due to safety, hygiene and accuracy concerns.
